

## Case Manager (m/f) in Poland (Remote Work; Full-time 40h)

At PhotoClaim we help photographers fight for their rights. We track their portfolio and detect commercial copyright infringements caused by companies all over the world. With an international network of attorneys we are able to get the photographers the money they deserve.

### We help photographers to live their dream

#### Your tasks:

- You monitor our client's portfolio on the internet and you're the detective who finds infringements!
- You're researching who is behind the image theft
- You're assisting in securing and building the case against copyright infringers
- You are responsible for managing the negotiation process with the opposing side
- You give the photographer the good news – **You** just got him a paycheck
- As a change from daily work you take up tasks connected to your interests: marketing, business, law, etc. – whatever you'll feel best doing

#### Your profile:

- You have a university degree (BA is sufficient) in humanistic, economic, law or similar studies
- You're talented in "reading people" and negotiations
- You're used to working independently and on your own authority
- You're reliable, have an analytical mindset and high standards to your own work
- You share an interest in photography and would like to help the artists
- You are fluent in English – German is a bonus!

#### We're offering:

- Remote work with flexible working hours
- Meaningful work in an international environment
- Training and experience in Holacracy company organisation:
