

We're hiring:

A Case Researcher "Light" (m/f/d)

Remote Work; approx. 10-20h per week

At PhotoClaim, we help photographers fight for their rights. We track their portfolio and detect commercial copyright infringements caused by companies all over the world. With an international network of attorneys we are able to get the photographers the money they deserve.

We help artists pursue their dreams

Your tasks:

- Finding potential copyright infringements of photographs using our tracking software
- Categorizing potential copyright infringements based on guidelines
- Researching the necessary contact data for legal procedures

Your profile:

- You're used to working independently and on your own authority
- You're reliable, have an analytical mind-set and high quality standards to your own work
- You know English well (B1)

What we're offering:

- Remote work with flexible working hours
- Flexible salary (you want to earn more, you can work more)
- Meaningful work in an international environment
- Valuable experience

Are you interested?

Send us a brief application including your CV, the potential starting date and please let us know if you have any experience in online data research.

Please send your application with the title "Case Researcher" to: career@photoclaim.com
